

5 REASONS WHY TOP INSURERS PARTNER WITH US

Dedicated – to contents software, services and solutions – this is our core focus and we do it exceptionally well

Accurate – we deliver the best quality data in the industry, resulting in the greatest LKQ pricing accuracy

Reputable – we maintain a dispute-free track record with more than \$19B in Replacement Cost Value processed in the most challenging and sensitive areas of claims

Non-partisan – our best practice standards are proven to provide high-quality levels of service, equally benefiting insurers and policyholders

Guaranteed – performance excellence delivered on 100% of all claims assigned or we don't invoice the client

edjuster, Your Trusted Contents Services Partner for the most challenging & complex loss and damage claims facing every insurer.

Consisting of major fire losses, hoarding, fatalities, incapacitation, and other complex circumstances—these claims commonly take months to resolve and present enormous increased cost and risk of liability to insurers. edjuster's complex claims partner program is designed to resolve these claims quickly, fairly and dispute-free.

edjuster was founded to serve these types of problematic claims and our level of service and value provided in closing these claims is virtually unmatched in the industry. edjuster is a valued partner to many of the industry's large loss adjusters across North America in this sensitive area of claims valuation.

edjuster's Complex Claims Partner Program is proven to resolve these claims quickly, fairly and dispute-free.
